Recommendations for Organisers:	<p>There has to be a stable and big enough electric power supply. Also a big enough wifi server for the Judges.</p> <p>The organisers have to know the fact of the competitions various events and that there are different judging panels and chief judges for each event. This to avoid misunderstandings among the organisers, who is chief judge in the different events. The organiser cannot let one chief judge make decisions on behalf of another chief judge.</p>
Rule Changes Proposals:	None
Personal remarks:	Thanks to the organiser for managing to work through a whole competition so well, since the start of the competition was difficult due to bad weather conditions.
<p><i>According to Sporting Code Section 5, 6.9.1 (11) this is to be sent to the Chair of the Judges Committee and the IPC Technical Secretary within 30 days of the competition completion.</i></p>
