5. ARRIVAL and DEPARTURE:

For all attendants, coming in by plane, the Frankfurt International Airport (FRA) will be the best choice. Moving on by train is the easiest way to arrive at the hotel (one station more with line S 8 to Frankfurt STADION). Some organizer staff will be available at the airport and will assist you, finding the right station and train and will pick you up at the final train station (= Frankfurt **Stadion**). Same procedure will work for departure.

Arriving by train or car (from central or eastern Europe) is also very easy. Book ticket to Frankfurt STADION, two stations by subway (line S 8) away from Frankfurt Central Station.

The convenient highway exit (Highway A 3) is really close to the hotel. The hotel has it's own parkhouse ca.100 m away. Costs are 10,- € per day and car.

The German Parachuting Association would be very happy to host the 66th IPC-Plenary Meeting and will guarantee a well organized setting for a successful meeting to which we hope to welcome all of you.
