| 22 Apr 2014 | 13/2014 | <p><b><u>Details</u></b></p> <p>The 2014 IPC Plenary Meeting had approved changes in the AE 2014 Competition Rules, requiring two practice jumps to be made, where previously there was one jump only. Jumps cost € 25 each.</p> <p>The change of rule would increase the Entry Fee for this event. This increase was not approved by the Plenary Meeting.</p> <p>The Bureau was asked to approve the increase, which has the following effect – AE (one event) € 890 to € 915 for the full package, and € 590 to € 615 for the basic package.</p> <p>AE (two events) € 1150 to € 1200 for the full package, and € 850 to € 900 for the basic package.</p> <p><b><u>Subject</u></b></p> <p>Bureau approval of changes in 2014 Indoor Artistic Events Competition Rules.</p> <p><b><u>Details</u></b></p> <p>The Bureau was requested by the Chair of the AE Committee, Ronald Overdijk, to assent to changes, on grounds of safety and judging ability, in the 2014 Indoor Artistic Events Competition Rules.</p> <p>In the rules, vertical and horizontal freely randoms were to be mixed, but the AE Committee believed that this led to unacceptable speed differences in one flight, with safety issues, and leading to teams moving out of the (fixed) video frame. The AE Committee believed that these issues could be resolved by having horizontal randoms only in one flight, and vertical randoms in the other flight.</p> <p>The AE Committee therefore asked the Bureau to agree to these changes in the AE Indoor Artistic Events CRs for 2014, with formalization occurring at the 2015 IPC Plenary Meeting. The amended CRs would, when changed read as follows –</p> <p><b>2.8.2.</b> The Randoms will be drawn as follows: all <b>horizontal</b> Randoms, as shown in Addendum-A2 Freely flying, will be singularly placed in one (1) container. Individual withdrawal from the container, without replacement, will determine the order of <b>horizontal</b> Randoms to be performed in <del>each</del> <b>the first</b> Compulsory routine (<b>round 2</b>). <b>All</b></p> | <p>take account of the additional practice jump requirement under the 2014 AE Competition Rules.</p> <p><b><u>Bureau Decision</u></b></p> <p>The Bureau approved the changes in the 2014 In door Artistic Events Competition Rules, as noted above.</p> |
