A Jury meeting must be called by the Jury President at the earliest possible opportunity.

#### NOTE :

**The General Section has been subject to a thorough revision and certain provisions are now the responsibility of the ASCs to determine. These are :**

**If an FCE is cancelled or stopped, the ASC will determine if unused fees are to be returned.**

**If a competitor or team withdraws after having paid entry fees, the ASC will determine the amount, if any, of fees to be refunded**

**Currently Diplomas are given to 10 places in an event. ASCs will now decide if Diplomas are to be given and to whom.**

**Where an International record performance is set during an FCE, an ASC may allow direct notification to FAI, with all relevant information, without going through the usual dossier submission process.**

**The R&R Committee will discuss these and make proposals for the Plenary.**

**In addition, the GS revision will result in changes to section references in SC5. This will be done in the preparation of the 2015 edition of SC5.**
