**Description of outstanding services:**

Mrs. Svetlana Klenina is 3 times Overall World Champion in freefall style and accuracy landing in individual classification ( in 2006, 2010 and 2012 ). This is an outstanding achievement in sport parachuting. She has won the title of World Champion 14 times in team classification and 11 times in individual classification. She is also European Champion and several times prize-winner of the World Cup events. Svetlana Klenina has 12500 parachute jumps at her account. She is working hard at upgrading her professional skill and constantly improving her theoretical and practical knowledge. She is persistent in achieving the goal set and always ready to share her rich sport parachuting know-how with young sportsmen. For her great contribution to the development of sport parachuting Svetlana Klenina has been awarded with several Russian Government Awards. She is also the winner of the Sabiha Gokcen Medal. For her outstanding achievements in sport parachuting she is considered quite worthy of being awarded with the FAI Gold Parachuting Medal.
